# CENTRAL INTELLIGENCE GROUP

## INTELLIGENCE REPORT

COUNTRY Austria (Russian Zone)~~CONFIDENTIAL~~ DATE:

SUBJECT Soviet Construction Plans for Zistersdorf

INFO. Prior to 2 June 1947

DIST. ~~XX~~ 19 August 1947

PAGES 3 25X1A2g 25X1A9a

SUPPLEMENT

ORIGIN  
25X1X

25X1A6a

This document is hereby regraded to  
CONFIDENTIAL in accordance with the  
letter of 16 October 1975 from the  
Director of the Central Intelligence Group  
to the Director of the United States

25X1A2g

1. The attached material represents the itemized list of activities to be undertaken at the Zistersdorf oil fields and should be read in conjunction with [redacted] The plans were drawn up by the Sowjetische Mineralölverwaltung.
2. The numbers in the right-hand column represent the account numbers under which the various items are carried in Moscow and under which the "credits for the building materials will be established".
3. According to source, Director Rjabiaia of the D.E.A. expects the necessary materials to be procured in Russia and the USA. At present, there are no supplies or tools at D.E.A. or any other fields under Sowjetischer Erdbetrieb other than the few that were left behind by the Germans, which are almost useless.

This document contains information affecting the national defense of the United States within the meaning of the Espionage Act, 50, U.S.C. 31 and 32 as amended. Its transmission or the revelation of its contents in any manner to an unauthorized person is prohibited by law.
